Symposium is a focused session in which speakers present on a common theme, issue or question.

Colloque est une séance ciblée où diverses personnes prononcent un exposé sur un même thème ou enjeu précis.

Workshops topics should focus around strategies, approaches, and problem solving related to the conference sub-themes and should provide the opportunity for collaboration among nursing academic leaders.

Ateliers devraient porter sur des stratégies, des approches et la résolution de problèmes liés aux sous thèmes de la conférence et donner l'occasion aux chefs de file en enseignement des sciences infirmières de collaborer.
