**5. REASON WHY THIS CANDIDATE IS BEST SUITED FOR THE POSITION ON THE CASN ACCREDITATION BUREAU.**

I nominate and believe Anne would be a great asset for the position of Bilingual Faculty Representative for the CASN Accreditation Bureau.

I have known Anne for 18.5 yrs. During this time, she has demonstrated commitment, leadership, and initiative in contributing to the growth in our School of Nursing. Anne has been appointed as the year 2 BScN Coordinator since 2014. She has demonstrated ongoing interest in her professional development in leadership throughout the time she has been at Fanshawe. She has served on College Council from 2014 to 2018, relinquishing her role on this council to provide the opportunity for other faculty to have this experience. Anne is also member of the Scholarship and Awards Committee at Fanshawe since 2015.

As coordinator of the BScN program, Anne participated in the preparation of documentation for accreditation of the School of Nursing. She has presented at several CASN Conferences and other educational conferences in disseminating research/educational topics.

In 2017, Anne has taking a competitive year-long leadership course at Fanshawe, the "Emerging Leaders Program", where participants were exposed to various leadership issues pertaining to higher education, which culminated towards a Capstone project. The project Anne worked with her triad was entitled "Leading Change – Lessons from CE Decentralization", which was a sensitive topic for many within the Fanshawe organization. Her team interviewed individuals at various levels within Fanshawe and provided recommendations to the senior leadership team. They were applauded at having the courage to take this topic on as a Capstone project.
