Offering diverse undergraduate and graduate programs to almost 18,000 students, Memorial provides a distinctive and stimulating environment for learning in St. John's, a safe and friendly city with great historic charm, a vibrant cultural life, and easy access to a wide range of outdoor activities.

The Faculty of Nursing is located on the university campus and offers programs leading to a Bachelor of Science in Nursing (four-year and accelerated options), a Master of Science in Nursing (MScN), practicum and nurse practitioner options, a Post Master's Nurse Practitioner (NP) Graduate Diploma, and a PhD in Nursing.

The Faculty of Nursing has three 36-month teaching term appointments for applicants who must be licensed as Nurse Practitioners with the College of Registered Nurses of Newfoundland and Labrador (CRNNL) and available to teach in the MScN Practicum and NP options as well as in the BScN (Collaborative) Program.
