

## Information for the Pat Griffin Research Grant 2025

### Purpose

The Canadian Association of Schools of Nursing (CASN) is offering one Pat Griffin Research Grant to support research that addresses the research priority of “Nursing Education Outcomes” (Research Priority 7) from the [National Research Priorities for Nursing](#). The following describes this priority:

Research to develop, evaluate, and promote knowledge translation of evidence informed, interprofessional education approaches, curricular models for nursing education, pedagogical approaches that foster skills in clinical reasoning, critical thinking, and evidence informed decision-making, simulation-based learning, and transition-to-practice modalities in relation to:

- a. relevance of learning for nursing practice;
- b. experience of new graduates entering the workforce; and
- c. readiness of new graduates for the nursing profession. (Canadian Association of Schools of Nursing, 2018)

The research can focus on all academic levels of nursing education.
